

Invitation to the Pre-Symposium: Rhythmical Massage Therapy

Date and Time: Wednesday, June 11, 2025, starting at 10:00 AM, ending at 08:00 PM

Location: Prague

Invited Participants: All Rhythmical Massage Therapy practitioners

Focus: The pre-symposium will focus on practical engagement and hands-on Rhythmical Massage Therapy practice. The aim is to explore therapeutic qualities of touch together, based on the individual experiences of the participating therapists.

Content:

- Practical exchange with an experiential phenomenological approach.
- Collaborative work in the light of Rhythmical Massage Therapy
- Strengthening therapeutic effectiveness in the service of humanity and the world

Overall Atmosphere: The pre-symposium will be centered around shared hands-on practice, carried by an open, creative, and collegial atmosphere.

We look forward to your participation and a lively, practice-oriented exchange!

Preparation Team for the Pre-Symposium: International Forum for Rhythmical Massage Therapy (IFRMT) - Stefanie Hess, Rosemarie Jungen, Aoine Landweer-Cooke, Unda Niedermann-Veith
